# COSMETOLOGY & DENTAL SERVICES

Easterseals MORC is proud to present some of our favorite Michigan businesses offering cosmetology or dental services for individuals with disabilities and/or sensory needs.

## HAIRCUT HUT

Located inside Autistic Play Place (39337 Mound Road, Sterling Heights, MI 48310)

Offers kid-friendly salon services by professionally licensed stylists, themed stylist chairs, and TV or movie selections. Their hour-long haircuts are designed to accommodate meltdowns or panic attacks. Haircut Hut provides fingernail clipping too!

For pricing and availability, call: 586-254-6533.

## CUTIE CUTS

13435 Hall Rd. Utica, MI 48315

Our friends at Cutie Cuts offer haircuts, styling, detangling, and braiding for children by appointment only. They also offer a Quiet Room, which is sensory friendly for children that struggle with a sensory disorder or anxiety. This room allows children to receive salon services in a private calming environment. The Quiet Room is designed with calming colors and equipped with a television, tablet, and tactile sensory toys. Whether your child has a sensory disorder, fear of receiving a haircut, or would simply like their own space, the Quiet Room is available upon request. Learn more at [www.cutiecuts.com](http://www.cutiecuts.com)

## COOKIE CUTTERS - HAIR CUTS FOR KIDS

Located throughout the United States. Michigan locations include Royal Oak, Northville, and Canton.

Cookie Cutters is a children's hair care salon with over 25 years of experience. Each location includes an in-store playground, televisions at each station for the children to watch shows or play video games, along with fantasy cars to sit in. At Cookie Cutters, they specifically train their stylists to work with a child's individual needs. Stylists have even been known to give haircuts walking around the salon. Whatever it takes to make a child most comfortable, they will work around. Learn more at: [www.haircutsarefun.com](http://www.haircutsarefun.com)

## GROWING SMILES - PEDIATRIC DENTISTRY AND ORTHODONTICS

Located in Chesterfield, St. Clair Shores, and Richmond

Growing Smiles is proud to offer a safe and comfortable environment for children to enjoy a positive dental experience, no matter the extent of their dental needs. Their dentists have undergone highly specialized pediatric and orthodontic dental training allowing them to provide dental care for children of all ages, including those with special needs. They also offer "social visits" for patients to visit every three months. These social visits allow patients to familiarize themselves with the staff and office. One appointment is actual cleaning and 3 months later is "brush and count" teeth. To learn more about Growing Smiles, visit: [www.growingsmilespd.com](http://www.growingsmilespd.com)

## MICHIGAN SEDATION

455 S Livernois, Suite A-22 Rochester Hills, Michigan 48307

Dr. Palmer is one of only a few dentists in Michigan that is trained and qualified to provide all forms of sleep dentistry including Oral Sedation, I.V. Sedation, and General Anesthesia. Palmer and his staff are proud to provide exceptional dental care for patients of all ages with special needs. Learn more at: [michigansedation.com](http://michigansedation.com)
