At Easterseals MORC, we make it our mission to provide a safe and welcoming environment. When you work with us, we'll:

- Meet you where you are
- Walk you through every step of the process
- Complete a full assessment & preliminary care plan customized to meet your needs
- Make sure you understand all of your options along the way

WHAT IS SAME DAY ACCESS?

Easterseals MORC is proud to offer Same Day Access Intake Hours during which individuals and families, looking to pursue services, may log-in virtually or walk-in for an intake. **Same Day Access Intake Hours are currently available at our Auburn Hills, Center Line, Pontiac, Southfield - Crescent Centre, Southfield - Nine Mile, and Walled Lake locations!**

WHO IS SAME DAY ACCESS FOR?

Same Day Access Intake Hours are available for children, adolescents, and adults experiencing mental health and/or substance use related challenges.

HOW DO I GET INVOLVED?

To get involved, you can walk-in or sign-in virtually during our Same Day Access hours. **For planning purposes, and to learn about how to join our virtual Same Day Access, please call 1.800.75.SEALS to let us know what day and time you plan on attending your intake.** Please keep in mind that the Same Day Access Intake could take up to two hours and intake may be completed virtually based on capacity. Due to the nature of walk-ins, the volume of requests will ebb and flow causing the wait times to vary.

If you or a loved one is experiencing a mental health crisis, please call or text 988 or chat 988lifeline.org
